FROM : B. C. Evans, Executive Secretary
SUBJECT : Your 1100 Meeting on 7 January with the
Management Advisory Group

MAG is delighted that you (and Jennifer) have found time on your busy calendar to meet with them. The MAG Chairman and I will pick you up and escort you to the DCI Conference Room where you will find all the MAG members who have served during your tenure (roster attached). They will commence the dialogue by briefing you on what has transpired since their annual report and will then have several questions with regard to your service here. As background you may wish to scan the annual report and your memorandum dated 1 November 1976 (attached).

SUBJECT : Report of the Management Advisory Group (MAG)
for FY 1976

1. Hank Knoche has reviewed this report with MAG, and it is being forwarded to you in sufficient number of copies for each of your office heads. It is clear that MAG has made a constructive contribution toward the resolution of a number of issues, and their recommendations have received serious attention. It is my hope that you will continue to nominate officers of the same caliber MAG has enjoyed since its inception.

2. I am told that MAG's charter envisions that its members will serve in addition to their other duties. Nevertheless, all of us realize that the meetings they attend and the scope of their involvement subtract from the time available for performance of their regular duties. I would hope that each of you could pass the word to appropriate front line supervisors that, in our judgment, time spent on MAG matters is well spent.

3. As you know, I have asked Hank Knoche to see to it that MAG work is related as closely as needs be to the work of the Agency's Executive Advisory Group, and I know he will welcome your utilizing the DCI/MAG as a sounding board for any issue or idea.
